Dear athletes and coaches,

Welcome to Leeuwarden. The Elfstedenhal (11-cities venue) is the starting location of the famous Dutch 200 KM speedskating event, the Elfstedentocht, held on canals and lakes here in the north during wintertime when temperatures are low enough to freeze all the lakes and canals to facilitate 20.000 skaters. First held in 1909 and the last time in 1997. The Dutch skating community is hoping every winter this event will take place from here.

It is an honor to welcome you to Leeuwarden for the Dutch Challenger Open. The information in this Team Guide is intended to make your stay with us as pleasant as possible. You will find detailed information regarding training, meetings, transportation, meals, etc.

Please let us know if you need further assistance with your planning by emailing wedstrijdorganisatie@knsb.nl.

We wish you all the best on and off the track these two weeks.
